STRENGTHS

Adaptability: Meets new situations with a fresh outlook and adjusts naturally to the needs of the moment

Strategic: Systems thinker, able to make connections, link ideas, people and processes.

Empathy: Senses the needs of others and responds appropriately and compassionately.

Responsibility: Take ownership of what I say and do; committed to the values of honesty, integrity and loyalty.

Relational: Enjoy building relationships and making things happen through and with others.

LANGUAGES

- English (Fluent)
- French (C1)
- German (Basic)

PERSONAL

Outdoor and physical activities, writing, travel, and cultural exchange. Committed to lifelong learning, personal growth and nurturing community.

REFERENCES ON REQUEST

PROFILE

An educational leader who is responsive, adaptable and who will work tirelessly to rise to the challenges of these extraordinary times. Clear thinking, problem solving abilities that simplify complexity. Someone who inspires and builds community around the values of equity, inclusion, appreciation and genuine care. A leader who aligns what they do to purposeful and compassionate action, and sees education as a vehicle for positive impact and the development of the human spirit.
